

GREAT OUSE MARATHON 2017 - RESULTS

I'm sure you will join us in saluting the "Sudbury Lifeboat" (crew No 72, MasF.4-). Their recorded time of 2:01:19 includes a stop of nearly 12 minutes to rescue a fisherman who had fallen in the river! Whilst we cannot officially amend their time for completing the race this year, they will be using their estimated rowing time of 1:49.26 as their target time for next year.
