

Getting to Isle of Ely Rowing Club

Satnav – our post code is CB7 4TX**BUT NOTE**....this post code covers a big area, centred on residential property to the north of Prickwillow Road (B1382) which is a long way from the club!

You need to find Kiln Lane, a private road off Prickwillow Road on the side that is not built up (signposted “Hydro International” etc – see photo below), and follow this down to Hydro’s car park.

From the car park, follow the high level footpath alongside the low brick extension on the right of the factory – (not the low level public footpath)

For those using analogue maps:

From Ely.

- Leave Ely on Prickwillow Road (B1382 to Queen Adelaide and Prickwillow)
- Straight on at mini roundabout
- 200yds after mini roundabout, turn right into Kiln Lane (signposted “Hydro International” etc – see photo below)
- Follow this road down to Hydro’s car park
- From the car park, follow the high level footpath alongside the low brick extension on the right of the factory – (not the low level public footpath)

From race finish at Queen Adelaide

- Go over river
- Through Queen Adelaide
- Turn left at roundabout
- After about ½ mile, turn left into Kiln Lane (signposted “Hydro International” etc – see photo below)
- Follow this road down to Hydro’s car park
- From the car park, follow the high level footpath alongside the low brick extension on the right of the factory – (not the low level public footpath)
