Checkout

You will be asked to Login or Create account. As we have a new website, any previous account prior to 9th November 2021 will not exist, you will need to create a new account

We hope you will find the new site more user friendly and quicker 😊

Enter your shipping address.

Club Delivery – Only available during an organised order window. If using club delivery, the address you enter here is irrelevant as your order will be dispatched to your kit officer.

Standard Delivery – If you require your order to be delivered to a separate UK address, please ensure your full address is given.

Continue to shipping, select your shipping method, continue to payment. Here you can give a separate billing address if required.

Review and complete your order

Points to note

- As all garments are made to order, we do not offer refunds/exchanges due to wrong sizes purchased. If you have any queries over size or how much give a garment has for example, please give us a call. We are happy to help.
- All club branded garments come with a 4 week production time. 4 weeks commences from the closure of the window. Please allow extra for bank holidays, festive periods etc.
- Ordering outside of a club order window may incur additional lead times.
- If using club shipping as your shipping option, your order will be dispatched to the school/college/kit officer regardless of what address you give.
- Standard shipping can be used if you'd rather your order be delivered to a different UK address and not delivered to the school/college/club. Standard shipping does not mean we dispatch your order any quicker.
- Your order window will close at **11.30pm on the 9th June**. Orders placed after this time may not be included with the main kit order.
- All orders placed during the window (club shipping and standard delivery) will be scheduled for delivery w/c **11th July**
